ADVISORY No. 22 of 2025

Subject: Further Extension of Validity for Circulation Verification (CV) Certificate until 31.08.2025-reg.

In continuation of [Advisory No. 6 of 2025](#) accessible on the PRGI website, this is to inform that the validity of the Circulation Verification (CV) Certificate has been further extended until 31st August 2025. However, this extension is granted under the following two conditions as outlined below and the list of eligible newspapers have been shared with Central Bureau of Communication:

- i. The Publishers whose CV validity expired by 30th June, 2025 and who has submitted a Circulation Verification Application (FY 2023-24) at PRGI via the designated email with all necessary supporting documents, and the same has been accepted by PRGI at least 45 days before the current Circulation Certificate expires.
 - ii. Applications for Circulation Verification are currently being processed by PRGI (FY 2024-25).
2. This extension is being provided as some applications are under process at PRGI for desk audit and the development of the CV Module on Press Sewa Portal is also underway. The extension will allow adequate time for the completion of desk audit of all applications.

This issues with the approval of the Press Registrar General.
